

International Committee Bylaws

Purpose: Our College offers varied forms of international studies and as such, our committee's purpose is to develop formal policies and procedures that will assure all international studies provide quality learning experiences and that COP students are safe during these experiences.

Duties and Responsibilities:

1. Perform as an advisory panel for the international programs
2. Publicize international efforts more broadly both internally and externally
3. Evaluate potential partnership institutions
4. Develop a quality assurance program for our international experiences currently available to Pharm.D. students.
5. Implementation and quality assurance of the "Certificate in Global Health".
6. Review and Submit faculty nominations for the University International Award to the Executive Council.
7. Act as Ambassadors for international visitors
8. Complete a one-page annual report sent to the Dean and FGC. Provide updates to FGC as needed.

Membership: The committee consists of at least five Faculty representatives and three students currently serving as the VP of International Activities for APhA- ASP from each campus. The Director of International Programs and the Associate Dean for the Office of Student Affairs or their designee will serve as Ex-Officio members.

Meetings: At least one per semester during the academic year (minimum of 3 meetings a calendar year).

The committee reports to the Dean and FGC.
